WHY THE BOY WAS SURE.

A certain officious head nurse in the necident ward in a hospital received an unexpected "call down" recently. An unforaunate young man of the age of ten had been practicing with a target pistol several sizes too large for him and the result was unpleasant. doctors and nurses had cleansed and dressed the wound and he was resting

"Are you sure that the bullet isn't sticking there still?" "What makes you think so?"

"It was a blank cartridge." There was a sharp decline in that hurses' stock of pride, and the laughter failed of unanimitiy by one dissenting

ACURE FOR CHOLERAINFANTUM.

"Last May," says Mrs. Curtis Baker. of Bookwalter, Ohio, "an infant child of our neighbors was suffering from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, teling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now (nearly a year since) a vigorous, healthy girl. I have recommended this Remedy frequently and have never known it to fail in any single instance." For sale by Elvey & Hulett.

Coke Dandruff Cure is Doing the Work.

The A. R. Bremer Company recently predicted that they would reduce Dandruff and Scalp Troubles. Falling Hair, &c., in Phoenix fully 25 per cent by the use of their Coke Dandruff Cure, and the fact is fully verified. In the face the Board of Directors may deem neof the convincing evidence that has appeared in these columns in favor of this helpful preparation, it would seem that any one troubled with Dandruff or Falling Hair would have by this time taken advantage of this great specific. To those who may still doubt the efficacy of Coke Dandruff Cure we herewith append to this article more convincing proof, received since the Free
